My Community Broadband Advocacy Plan

Name	
Community (City, State)	

Rate each dimension of Civic Infrastructure in your community by placing a check mark in the appropriate box.

	Very Low	Low	Medium	High
Nonprofit Density (Amount of Nonprofits)				
Media Density (Amount of Media Institutions/ Newspapers, Radio, etc)				
Amount of Libraries (Library Investment in Community)				
Social Media Use (Via Mobile etc.) Are people in your community connected on Social Media?				

What challenges with broadband access exist in your community?	
How can increased access to broadband in your community support the dimensions above that are very low or low to enhance civic infrastructure?	
What key stakeholders should you connect with?
